M.O.P.T.O.P. = *mantra thru movement!* in the winter of 88/89 at a listening party for Atlantic recording artists(of which I was one @ the time) my father heard for the 1st time, an artist by the name of the D.O.C. his songs were playing,& my dad turned & told me I had to be as "precise,& intense" as he(the D.O.C.) was in, not just my rap(I was a rapper lol),but in ANY thing I did...bcuz that was the only way to guarantee I would be successful at it! That's when the mantra was born....later that year I was blessed to meet some of the best dancers ON EARTH...BAR NONE! It's been 21 years, 2 kids, multiple relationships, the loss of my MOM, several trips around the world, a nervous breakdown, 3 record deals, and a lot of heartache, & pain.....but it's been the BEST LIFE I COULDN'T EVEN HAVE DREAMED OF!
